

Stella Petrou Concha

THE JOY OF WINNING AND GIVING

Stella is the Co-Founder and CEO of Reo Group, a boutique Finance Recruitment and Management Consultancy. Her vision is to elevate human potential. She is passionate about helping shape the future of executives, empowering them to build a career story that has a positive impact on their own lives, within their industry and broader community, and the world. As an ambassador for the UN Sustainable Development Goals Stella has aligned Reo Group to Goal 4, "Quality Education" through a CSR movement Elevate a Nation which aims to provide 50,000 days of education to underprivileged children in Australia by 2021.

In her powerful Key Note "The Joy of Winning and Giving" Stella shares how having a powerful giving story empowers entrepreneurship and guides you through the unforeseen twists and turns that confront you as a leader.

3 Key Takeaways

- Take a deeper look at the relationship between winning and giving
- Learn about the hidden reward's that lie within a giving story
